

Sports Coordinators

As you know, we rely heavily upon law enforcement officers and firefighters to coordinate each individual sport, and the success of our games is dependent upon the efforts of these coordinators. Our sports coordinators appreciate assistance in coordinating their sports, and we appreciate any and all input that benefits the overall quality of our competitions. If you have expertise or valid suggestions about your sport which would benefit all of the competitors, and would like to get involved, contact The Ohio Police and Fire Games, Inc..

OVERALL COORDINATOR for the 2010 Ohio Police and Fire Games — **Jim Wetenhall**, Toledo Fire Department
